COLOUR AND STYLE

Please let us know any colour, style or pattern preferences and anything else that may help us choose curtains for you. E.g. if you are asking for curtains for children's bedrooms, please note their ages and sex. Please note that although we have enough curtains for everybody the amount of curtains we have in so-called 'natural' colours (grey, beige, white, etc) is limited so if you give us a colour option as well we may be able to help you faster.
